

SALT Ministries Update

February 8, 2023

Joy Singers

The Joy Singers meet every 1st and 3rd Thursday of the month to visit a local assisted living facility. This group is open to anyone in the church that loves to bring joy to others. We'll meet at the church's main office entrance at 10 am. Please see Pastor Christopher for a schedule.

SALT Visitation

Visitation to our homebound is a very critical part of SALT Ministries' core values. As we begin this new year, we are doing this a little differently. After much feedback from those that have participated in the visitation program, we will begin giving visitation assignments to those that are interested in going to see our homebound members. You will be able to visit your assigned person on your own schedule and at a time convenient for the homebound person as well. If you are willing to participate in the visitation program, please stop by or call the church office to get the name, addresses, and telephone numbers of those that need a visit. The ones that choose to visit will receive just as much of a blessing as those that are being visited. Please stop by or call the church office, Monday-Thursday 8:00 am to 4:00 pm. This is a critical church ministry, and we look forward to seeing many people participate this month.

Upcoming Events

Martha Franks Seminar **Monday, February 27, 10:30 AM**
SBC Fellowship Hall

Martha Franks is a retirement community partnered with the SC Baptist Convention. This will be a great opportunity for us to learn more about the mission work that is being done for those in this community. Following the presentation, we will have a light lunch and a time of fellowship playing games.

Anderson Senior Follies **Sunday, March 12, 2:30 PM**
Anderson University **Anderson, SC**

The Anderson Senior Follies is celebrating season number 34 with Blast from the Past. This year's story chronicles the excitement (and anxiety!) of several characters who have just received invitations to their High School Class Reunion. We get to follow along on this emotional roller coaster as they prepare to revisit their old stomping grounds and reunite with friends from the past. The story is cleverly woven with old favorites such as Sentimental Journey and Boogie Woogie Bugle Boy, as well as tunes from the Beatles, the Monkees, Carol King and many more. You will enjoy walking down memory lane with the cast as they use songs and dances from the 40's through the 80's to tell the story.

We will leave SBC following the Sunday morning service to grab lunch and head to the show! Please sign up asap to get your ticket! The cost is \$20 per person.

Living Gallery **Friday, April 7, 4:30 PM**
Bob Jones University **Greenville, SC**

A boldly unique, dramatic presentation of sacred masterworks of art depicting Christ's ministry and passion. See these great paintings come alive—re-creating scenes from our Lord's ministry on earth.

Have you ever seen a work of art that looked so real that the characters almost seem to breathe? In Living Gallery, this is no longer just your imagination—the people in the larger-than-life paintings, sculptures and stained glass are real.

The unique Living Gallery program combines original drama, music and breathtaking live portrayals of classic works of art to celebrate the story of Christ's birth or resurrection.

A team of talented artists and technicians spend hundreds of hours putting together the sets, costumes, makeup and lighting needed to create larger-than-life artwork depicting the life of Christ. When it all comes together with live models, the effect is breathtaking.

Be challenged and inspired by the drama, uplifting music, and living masterpieces that make up Living Gallery.

We will leave SBC around 1:30 PM to grab an early dinner at Red Lobster in Greenville before heading to Bob Jones University for the program. Please sign up asap to get your ticket! The cost is \$20 per person.
